

2019-2020 Base Member Benefits

This package is best for: Organizations serving youth and families who want up-to-date information and helpful resources, as well as access to a national network of dedicated youth service professionals

Member Benefit	Benefit Description
Monthly members-only emails for alerts, funding announcements, and news	The third week of each month, base members receive a members-only Plugged in eNewsletter that provides field news, resources, tips, funding opportunities, and more.
Discounts on registration for NSPN events	Discounts apply to Child and Youth Care (CYC): Foundations training, Families Thrive™ training, Focus conference, and specialized trainings, connecting you to events and networking opportunities while saving your organization money.
Public policy updates	Information keeps you connected to federal policy changes while giving you ideas for influencing the process.
NSPN funding application sub-grantee opportunities	Respond to “Call for Partners” for national funding applications; research projects and corporate support initiatives, connecting you to additional resources.
Phone consultation and resources for important issues	Receive the help you need, when you need it.
Support letters for funding applications.	When you need a support letter for a funding opportunity, NSPN can provide one.
Eligibility for national awards	Membership gives you the opportunity to highlight your staff, model programs, and community partners in national awards competitions.
Youth and family-focused resources	Information and resources like activity ideas help in your direct work with youth.
Access to the NSPN Support Center	Login to the NSPN Support Center any time, all year long, for access to information sheets, templates, and other resources you need.
Quarterly Executive Leadership calls	Join this facilitated open-discussion call for executive leaders of member organizations to discuss management and leadership challenges and ideas.
Preferred access to participate in Innovation Circles research projects	Get involved in research to ensure that individuals and systems receive accurate information regarding the services you provide.
Contribute as guest blogger	Hone your writing skills and gain a national audience by submitting posts for publication on the NSPN Blog, NSPNsights. This benefit is unlimited with case-by-case review.
Access to NSPN Connect online forum	Network with other NSPN members in a forum of discussions and resource sharing.
NSPN Advisory Board	Membership establishes eligibility to apply for service on the NSPN Advisory Board.

Annual membership investment:

\$200 annually, fee waived with subscription to all three membership packages.
