

## Knowing the Difference between RHYTTAC and National Safe Place Network: The Benefits of NSPN Membership

National Safe Place Network (NSPN) operates the FYSB funded Runaway and Homeless Youth Training and Technical Assistance Center. NSPN also offers a unique set of packages designed to meet your needs in ways that make sense for your organization and community that differs from the technical assistance and training provided by RHYTTAC. **Think you know how to tell the difference?**

**What's the difference?** (answers on back)

### Scenario 1

You are working on a funding proposal for the United States Department of Justice and need some help working on the outcomes section.

**Where do you go?**

### Scenario 2

Six people of your 10-person staff are funded through federal RHY dollars. You want all 10 of your staff to receive access to an online library of webinars and trainings. **What do you do?**

### Scenario 3

Your agency undergoes a crisis and you are worried about the aftermath for staff and the youth you serve. **Where do you go for assistance?**

### Scenario 4

You've promoted an excellent youth care worker to a management position and s/he is struggling in the new role. **Where do you go for support?**

### Scenario 5

You are a new director of your agency and could use some support from more experienced executives. **Now what?**

### Scenario 6

You have a strong Basic Center Program and are looking for ways to leverage your success to receive other local funding and support to increase sustainability. **Where do you go?**

Your needs.  
Your network.  
Together we can!

# Knowing the Difference between RHYTTAC and National Safe Place Network: The Benefits of NSPN Membership

**What's the difference?** (questions on front)

## Scenario 1

National Safe Place Network membership with the [Organizational Development Package](#) includes proposal review services. We can help with local, state, and federal funding proposals, as well as reviewing corporate asks and foundation grants.

## Scenario 2

Access RHYTTAC's online training library for your six RHY-funded people. NSPN membership with the [Training Center Package](#) will allow all ten staff to access a different library of resources and webinars, including: hiring and developing staff, managing employee performance, and legal and ethical issues for mental health professionals.

## Scenario 3

That depends. Did the crisis happen with your Transitional Living or Basic Center Program? If so, RHYTTAC can help. If it happened with a non-RHY funded program, NSPN membership with the [Organizational Development](#) will allow you access to on-site support, personal calls, and individual consultation.

## Scenario 4

Through NSPN membership with the [Professional Development package](#), you qualify for personalized development plans and general support and coaching for staff to help with professional growth.

## Scenario 5

With [NSPN membership](#), we can connect you to more experienced executives for networking and problem solving opportunities.

## Scenario 6

RHYTTAC provides webinars and resources for accessing local resources. We can also connect you to experts in this field. [NSPN can help you](#) do the same thing for other programs within your organization.
